Re: *USA v. David Hernando Cuevas Villacis*
21-cr-209

Your Honor:

My office represents the defendant, David Hernando Cuevas Villacis, who was ordered to surrender to FXI Fort Dix SCP on Friday, August 20, 2021, to begin serving his fifteen (15) month sentence of incarceration.

On August 17, 2021, the defendant notified my office that he had tested positive for COVID-19 pursuant to a polymerase chain reaction (PCR) test administered by AFC Urgent Care in North Bergen, New Jersey. A copy of the test results are enclosed as an exhibit to this letter. My client is symptomatic and has flu-like symptoms.

As a result of this serious development, we respectfully ask the Court to grant Mr. Cuevas a thirty-day extension of time to quarantine at home, and recover, before surrendering to the Bureau of Prisons. The Government does not consent to this application.

Respectfully submitted,

Jonathan Rosenberg
